Landslips occurring following severe weather Cost of business disruption e.g. NNDR collection Increase cost of business as usual services and customers as resource is used to support	4	4	16	Nicholson, Catherine Extent of damage identified and external funding opportunities being explored Report produced identifying issues and options and circulated to Director Following Storm Desmond and flooding in December 2015 the Bellwin scheme has been activated for Cumbria. This scheme will provide additional financial support associated with response works undertaken between the start of the incident and up to 1 month after the end of the official response stage. A finance sub-group with members from all Cumbrian Authorities has been set up in response to recent storms and flooding, this allows the sharing of knowledge and best practice. This group will also be responsible for identifying additional funding for the recovery phase (works required to land/property, loss of income from taxation and business interruption). Where works are required to be undertaken, these are recorded and costs estimated to ensure that financing can be identified, either from external sources identified by the finance sub-group or from Allerdale BC's budget and internal resources. Bellwin now submitted and awaiting settlement. no queries to date. Major incident budget created for 16/17	Action has been taken to address highest risk area (Well Lane, Maryport). Topographic survey and initial appraisal have been undertaken. Inspection has revealed further structural inspections will be required and additional works will be required additional to the original anticipated costs. Consultants are acting in connection with the identified additional works. UPDATE MAY 17: Well Lane now complete. No further work required at this stage. Possible retentions for 6-12 month period. Finance Sub-group set up (following Storm Desmond) to identify additional funding for recovery phase - NOW DISBANDED Capital bid will be required for 19/20 for outstanding works to Mill Field	2	2	4	30/06/2019
