The proposals will enable the Council to recover its reasonable costs in processing and determining applications and ensuring compliance with the appropriate legislation.

The Senior Licensing and Compliance Officer then outlined in detail the Reports to Council 03 March 2021 (Proposed Review of Licensing Fees and Charges) and Executive 24 February 2021 (Scrap Metal Dealers Act) including the recommendations.

An overview of the following appendices was also provided;

- Proposed Fees – Part A Statutory Fees, which are fees set by statute for which the Council has no power to amend
- Proposed Fees – Part B Fees, these have a maximum fee cap set by statute that permits Councils to set a reasonable fee to recover its costs up to that cap.
- Proposed Fees – Part C, these permit councils to set their own local fees that will enable it to recover its reasonable costs.
- ‘Licensing Fee Payments and Refunds’

Members then asked questions in relation to EU legislation, hypnotism, feedback from taxi drivers/operators, scrap metal, buskers and exemptions.
