Progress at August 2019

2018/19 Financial Statements and Value for Money

We have completed our audit of the Council's 2018/19 financial statements. Our audit opinion, including our value for money conclusion and certificate of audit closure was issued on the 26 July 2019.

We issued:

- An unqualified opinion on the Council's financial statements; and
- An unqualified value for money conclusion on the Council's arrangements to secure economy, efficiency and effectiveness in its use of resources.

We have issued all our deliverables for 2018/19 and have concluded our work on the 2018/19 financial year. Our Annual Audit Letter, summarising the outcomes of our audit is included as an agenda item at the Audit Committee on 12 September 2019.

2019/20 Financial Statements Audit

We will be commencing our audit planning, and our Audit Plan will set out our proposed approach to the audit of the Council's 2019/20 financial statements. We will present our Audit Plan to the Audit Committee on 18 February 2020.

Our detailed work and audit visits will begin later in the year and we will discuss the timing of these visits with management. In the meantime we will:

- continue to hold regular discussions with management to inform our risk assessment for the 2019/20 financial statements and value for money audits;
- review minutes and papers from key meetings; and
- continue to review relevant sector updates to ensure that we capture any emerging issues and consider these as part of audit plans.

Our interim fieldwork will include:

- updating our understanding of the Council's control environment;
- updating our understanding of the Council's significant financial systems;
- reviewing Internal Audit reports on core financial systems;
- early work on emerging accounting issues; and
- early substantive testing.

2019/20 Value for Money

The scope of our work is set out in the guidance issued by the National Audit Office. The Code requires auditors to satisfy themselves that; "the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources".

The guidance confirmed the overall criterion as: "in all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people".

The three sub criteria for assessment to be able to give a conclusion overall are:

- Informed decision making
- Sustainable resource deployment
- Working with partners and other third parties

We will be commencing our initial risk assessment to determine our approach. The approach will be reported in our Audit Plan.
