[REDACTED] please can you forward this email to who ever deals with a increase on the meters
thank you

As the increase on fuel is at its highest I think an increase on the taxi fares is needed also most drivers are self employed so have not had an increase of wages since 2018 the cost of living is coming into quite a scary time for everyone I think an increase of 30p for the first mile taking it to £3.50 and a 5p increase to the fifth of a mile taking it to 50p

Thanks
