Good Morning,

[REDACTED] would like to put forward comments to the licensing committee on the next meeting.

The price of fuel insurance for taxis and garage bills have risen astronomically!

It's been four years since we had a fare increase for Allerdale I think now would be a good time for an increase.

Running a Taxi is becoming unaffordable, reserves depleted due to lockdowns. Garage bills increased (ridiculous waits for parts to arrive) additional costs for the increased taxi tests required on four year old vehicles.

I also ask for the committee to consider the 4 year old car policy now we have to test every 4 month's I think you should change it to a 6 year policy The cost of a second hand car is unbelievably high due to the shortage of new vehicles and chips are like gold.

Please could you send my comments to the committee for consideration.

Kind Regards

[REDACTED]
