Thankyou for hearing our views,  
We think in the current climate it would be detrimental to increase fares and would deter visitors and locals from using taxis however the current tariff 2 which comes into force at 12 midnight could be brought forward to 10pm as a lot of late night businesses are finished by 11.30 or 12 midnight and we feel we don't benefit from the higher tariff , also all day on a Sunday tariff 2 would be a great advantage rather than have an increase right across the board.
