#### **1.0 The reason for the decision**

- 1.1 This report sets out the Council’s draft Annual Governance Statement (AGS) for 2022-23 required to meet the requirements of the Accounts and Audit Regulations 2015 (“The Regulations”).

#### **2.0 Recommendations**

- 2.1 To approve the draft Annual Governance Statement 2022-23 for Allerdale Borough Council as set out in Appendix 1 of the report.

#### **3.0 Background and Introduction**

- 3.1 Allerdale Borough Council is responsible for ensuring that its business is conducted in accordance with the law, proper standards, good governance and that public money is safeguarded and properly accounted for. In discharging this overall responsibility the Council has to ensure that it has sound systems of internal control, risk management and good governance arrangements in place to facilitate the exercise of its duties. Additionally, the Council is required to continuously review these arrangements and to ensure that the arrangements are considered by an appropriate body of the Council annually. This report sets out the governance arrangements and the system of internal control which operated during 2022-23 and up to the date of approval of the financial statements.
- 3.2 The purpose of the Annual Governance Statement is to provide reassurance that the provisions of the Local Code of Corporate Governance have been complied with. It also draws together any significant governance issues that need to be addressed over the next year.
- 3.3 The Council has established governance arrangements which are consistent with the seven principles of the Chartered Institute of Public Finance and Accountancy (CIPFA) and Society of Local Authority Chief Executives (SOLACE) Framework -

Delivering Good Governance in Local Government. It has adopted a Local Code of Corporate Governance, which is publicised on the Council website.

- 3.4 The Regulations require that the Annual Governance Statement should be approved at a meeting of the Authority or Delegated Committee.
- 3.5 Allerdale Borough Council's Audit Committee are being asked to approve a draft 2022-23 Annual Governance Statement in advance of the abolition of Allerdale Borough Council on 1 April 2023.

#### **4.0 The process**

- 4.1 There is a strong correlation between effective governance and effective service delivery. The purpose of the AGS process is to provide a continuous review of the organisation's governance arrangements so as to give assurance on the effectiveness of the process and/or to address identified weaknesses, supporting the continuous improvement of the authority. This report and accompanying appendix are the result of that review.
- 4.2 In compiling the Annual Governance Statement a shared approach was adopted, involving Chief Officers (including the Section 151 Officer and the Monitoring Officer), the Assurance Risk and Audit Manager and Chief Executive (also as Head of Paid Service). The Corporate Governance Group has the responsibility of collecting evidence for, and the drafting of the Annual Governance Statement.
- 4.3 Once finalised, the Annual Governance Statement will be published along with the Statement of Accounts, for members of the public, members, officers and other stakeholders to view. For 2022-23 publication of the Annual Governance Statement and annual Statement of Accounts will take place after Cumberland Council has come into being and Allerdale Borough Council will have ceased to exist. Cumberland Council will be responsible for approving and publishing both.
- 4.4 A review of governance arrangements in place for 2022-23 has been informed by the work of Internal Assurance Risk and Audit and Senior Managers. The sources of assurance include:
- Assurance Statements completed by managers, reflecting upon the application and governance processes and adequacy of controls within their areas of responsibility;
  - Internal Assurance Risk and Audit, through the annual and interim reports;
  - Section 151 Officer and Monitoring Officer in meeting statutory responsibilities;
  - The Local Code of Corporate Governance.
- 4.5 In order that Members may discharge their duties, the Committee has received reports, information and training throughout the period under review.
- #### **5.0 Delivery arrangements**
- 5.1 The process confirms that the Council has sound systems of internal control and good governance arrangements in place.
